JEWISH WOMEN TO HELP HOSPITAL FUND

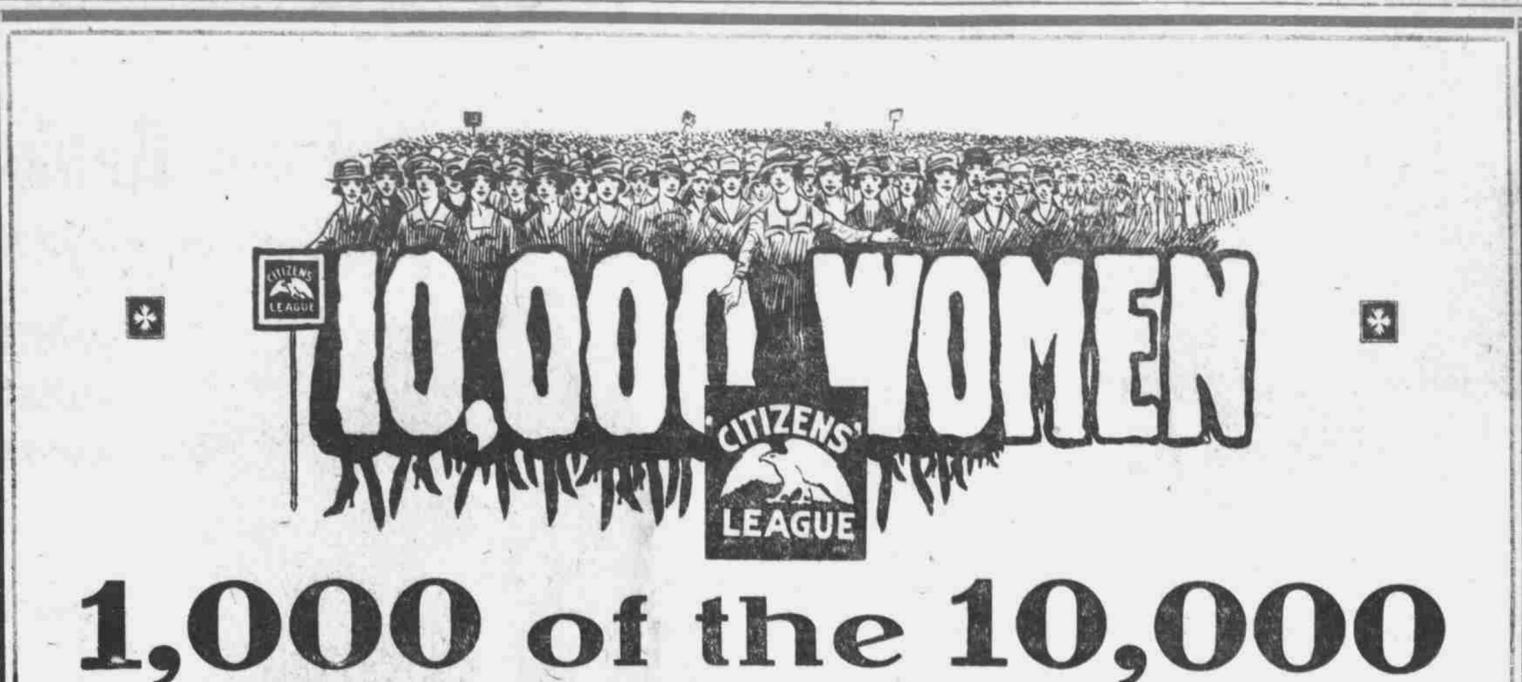

Relief Society Places Bond, Proceeds From Faithful Work of Relief Society, Into Coffer for Institution.

The donation of \$1,000 Mississippi levee bond to the fund of \$250,000 for the erection in Memphis of a Jewish hospital was made Wednesday by the Ladies' Hebrew Relief. This gift was enthusiastically received by the committee in charge of the campaign because back of it there stands a work of charity and the alleviation of human suffering extending over a period of many years and the committee in charge of the campaign feels that the donation is a tribute to the willingness of the cause for which the campaign for a fund of \$250,000 is being waged.

For many years a band of Jewish women have ably and without ostentation extended a helping hand to men and women in need in poverty. They have received their funds from sources known only to themselves. During every hour of the day or night members of this organization have been subject to the call of those in need or in sickness. Miss Yetta Levy, who for many years has been the head of this organization, Wednesday notified Charles J. Haase, chairman of the finance committee of the campaign, that her organization throughout the many years of its existence had created a surplus of \$1,000 which she had decided to donate to the building of the Jewish hospital.

A meeting has been called at the Rex Y. M. H. building on Wednesday night at 8 o'clock of all teams engaged in the solicitation of funds.

A total of \$12,000 has been reported to date. Many of the teams as yet have failed to make complete reports. At the meeting Wednesday night all reports will be made. The following subscriptions have been acknowledged:

"10,000 Memphis Women To Vote the Citizens' Ticket"

An expression by Mrs. Samuel J. Ellis, adopted as the Woman's Slogan

In the Dark Ages might was right, and the world was ruled by superior brute force. Later superior mental force, unchecked by conscience, ruled the world. Machiavellian tricks, shrewdness in taking advantage of our neighbor, either individual or country. Now a brighter day is dawning; the moral force of the world is being acknowledged. Man recognizes the brotherhood of man, the fatherhood of God. He no longer asks, "Am I my brother's keeper?"

The politician whose creed was the "end justifies the means" is out of date. Civic righteousness demands that our vote be given to a man, not because he is a friend, but because he can best serve the people. Because we are moderns and have caught the spirit of the age—the vision of the brighter day—we, the undersigned one thousand of the ten thousand, are giving our votes and our influence to the Citizens' League Ticket:
